Dear Sir,

With reference to the Japanese Government (MEXT) Scholarship for 2024, it is my great pleasure to inform you the name of the one (1) teacher who is the successful candidate in the final selection by the Ministry of Education, Culture, Sports, Science and Technology of Japan, and who have been granted scholarship for the Teacher Training Students Program.

The successful candidate should confirm the acceptance of the scholarship by letter to the Embassy not later than July 5, 2024.

However, if she wish to decline the scholarship due to her personal reasons or being awarded other scholarships, please submit a letter to give us the fact and reasons.

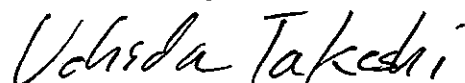

MEXT will negotiate a candidate's placement at a suitable university filled out in her application form, and that university has authority to accept the student or not. If failed to be accepted by any universities, she will automatically be disqualified.

The notification of placement at a university and departure for Japan will be informed by August 2024 at the latest.

In this regard, it would be very much obliged if you could kindly inform the candidate to make all necessary preparations for her departure.

May I express my sincere gratitude for your kind cooperation in this matter.

Yours sincerely,

UCHIDA Takeshi
